Mission

Our mission is to protect our citizens' right to be free from criminal attack and be secure in their homes and possessions. The Everest Metropolitan Police Department will utilize all means at its disposal to accomplish this mission.

Integrity

We adhere to the highest moral and ethical standards. We are honest and sincere in dealing with each other and the community. We have the courage to uphold these principles and are proud that they guide us in all we do.

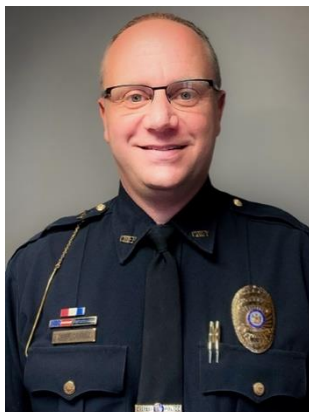

Fairness

Objective, impartial decisions and policies are the foundation of our interactions. We are consistent in our treatment of all persons. Our actions are tempered with reason and equity.

Respect

We recognize the value of our unique cultural diversity and treat all people with kindness, tolerance, and dignity. We cherish and protect the rights, liberties, and freedoms of all as granted by the constitutions and laws of the United States and the State of Wisconsin.

Luke Misslin

Community Service Officer

The Community Service Officer's duties were affected greatly by COVID-19. Almost every event that CSO Moua was involved in had been cancelled due to COVID-19 restrictions. CSO Moua and the CSO position adapted to this change; she assisted patrol and the detective bureau, assisted with sensitive crime investigations, provided interpretation for cases with language barriers, and trained/implemented our Lethality Assessment Program (LAP).

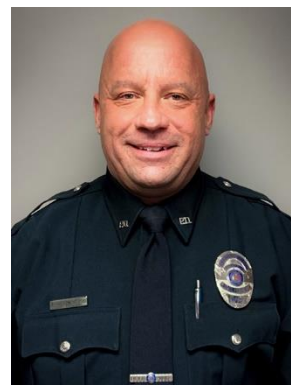

Even with the changes caused by COVID-19, CSO Moua continued to teach DARE (virtually), the Car Seat Installation Technician Specialist Program, fingerprinting services, and participation in the Shop with a Cop Program. CSO Moua also continued participation in numerous multi-disciplinary groups – DART/MCDAIT (Domestic Abuse Response Team/Marathon County Domestic Abuse Investigation Team), SART/MCSAIT (Sexual Assault Response Team/Marathon County Sexual Assault Investigation team), Child Advocacy Center (CAC) Multi-Disciplinary Team, and Safe Kids Coalition.

Organizational Chart

The most consistent and notable way to describe 2019 was change. Changes in personnel occurred in every division, from command staff to clerical. One of the few positions that was not affected was the chief's position, but that position did not have much tenure, as March of 2019 marked my first full year as chief for EMPD. There were three new officers hired, one slated for 2020, one new clerical, and four promotions in 2019. The vacancies that were created for the new hires and promotions created challenges in keeping a consistent work flow. Having two new captains and a vacant administrative assistant position is something that was not entirely anticipated. The fact that our daily operations at EMPD are often dictated by the public needs and the calls we receive, helps our staff prepare for things that happen unexpectedly. It's the nature of our profession.

The patrol division worked short-staffed the entire year due to vacancies, injuries, and FMLA leave. This division was down five officers that were not in the patrol schedule. That is tough to manage when the entire patrol division is comprised of 18 officers including supervisors. Patrol is the backbone of this department, so temporary changes had to be made to support them. Our Community Service Officer (CSO) was pulled from her duties to fill in on the road. The patrol officer assigned to the Special Investigative Unit (SIU), who primarily conducts drug investigations, was pulled to work patrol. Overtime was used to back-fill and trainings had to be limited to avoid shorting patrol any further. Our proactive policing methods did suffer, especially traffic enforcement, as some days officers went call to call their entire shifts. But, we all made it through the busy summer months and welcomed the slow return of officers back to their schedules. They are an extremely resilient group of fine men and women that rose to the challenge. Their level of commitment and compassion is unparalleled. It is truly a pleasure working with them and the communities we serve are very fortunate.

The detective bureau, consisting of a detective and a detective sergeant, had challenges also. The detective position was vacant for a period of time due to a promotion to the rank of sergeant. The detective sergeant position was on temporary light duty for several weeks, which restricted activity outside the office.

Our support staff or clerical division usually consists of four employees, including the administrative assistant position. By the end of 2019, they were functioning with two employees. Jill and Carrie did a phenomenal job keeping us afloat for a few months until positions were filled in 2020.

A silver lining in all the personnel vacancies was the budget. EMPD came in under budget again in 2019, allowing funds to be transferred to the undesignated fund balance. Those monies are used for retirement payouts so operations does not suffer upon each retirement.

Even though challenges and changes are a constant, I believe that having the right people in the right places is paramount in moving an organization forward. At times 2019 felt like

treading water; however, I see a progressive future ahead of us to keep us on a path of continuous improvement. The only thing that could possibly slow us down in 2020 is some unprecedented novel virus that creates a health emergency that no one would expect or predict. But what are the odds of that?

Respectfully,

Clayton Schulz
Chief

Staffing Assignments and Promotions

Compared to 2019, the Department experienced more stability regarding assignment changes and promotions in 2020. Officer Misslin was promoted to sergeant following Sergeant Peterson's retirement April 9, 2020 after 27 years of dedicated service to the communities EMPD serve. Officer Cory Dums, resigned to pursue another opportunity. A new officer was assigned to the Drug Task Force, filling the vacancy that position had since 2019 when Officer Swearingen was assigned to a School Resource Officer Position.

Staffing patrol in 2019 had been a challenge due to vacancies, movement within the department, and FMLA leave. Patrol saw more stability in 2020. Officer Gunnar Shultz had been part of our 2019 recruitment process. He was hired and started January 6, 2020. Officer Ethan Burmeister was hired and started June 9, 2020. A third officer was hired to fill a vacancy July 6, 2020. The probationary officer was let go November 3, 2020 after having a four week extension of field training due to performance deficiencies.

Our School Resource Officers still worked with the DC Everest School District regarding security, home visits to check on students, food distribution, and more. However, they also assisted patrol late March through August due to COVID-19 restrictions at the Schools.

Clerical saw stability as well in 2020. The department lost two clerical employees in 2019. Becca Szews was hired as Administrative Assistant to the Chief and began working in January, 2020. Ashley Marshall also returned as a full time employee in 2020.

We will continue to see staffing changes in 2021. Captain Shane Heilmann gave notice that he will be retiring January 4, 2021. There are two more retirements expected in 2021.

Our recruitment policy and process were revised. The department also changed to an ongoing recruitment model to help our hiring processes quicker and more efficient. Due to COVID-19, we began use of online interviews and testing for applicants. This process has been working well and created flexibility in the process for both candidates and the department.

Major Case Investigations

The Department investigated several major cases in 2020. Some of the more involved investigations are mentioned here. Of these cases, some are still active and will continue into 2021, before possibly coming to a conclusion.

- February 6, 2020, officers responded to a local business in the Village of Weston for a report of a burglary in progress. The suspects were gone upon arrival. This case is still active and under investigation.
- February 13, 2020, an officer was made aware of a complaint that led to a large investigation regarding invasion of privacy / ICAC (internet crimes against children). An arrest has been made in this case.
- March 19, 2020, officers responded to a call that someone in the Village of Weston had shot a family member in the head, had bombs, and would shoot officers responding to the residence. It was determined that the call to dispatch was a “Swatting” prank call. Further investigation showed the perpetrator is believed to have made calls (including this call) from outside of the USA.
- June 2, 2020, a subject reported being victim of an assault and armed robbery in the Village of Weston. Case was investigated and an arrest was made with multiple felony and misdemeanor charges.
- September 1, 2020, Wausau Police Department responded to an armed robbery. The suspect was located, fled in a vehicle, and a pursuit entailed. The pursuit ended in the Village of Weston, where the suspect was taken into custody. Officers from Everest Metro Police Department, Marathon County Sheriff’s Department, Wausau Police Department, Rothschild Police Department, and State Patrol all assisted.
- September 16, 2020, officers were notified that there was an individual in the Village of Weston who had a warrant for attempted homicide and was possibly armed and dangerous. Contact was attempted by our department and the Marathon County Sheriff’s Office. A vehicle pursuit entailed, and the occupants fled on foot. Officers from Everest Metro Police Department, Wausau Police Department, Marathon County Sheriff’s Office, Rothschild Police Department, and State Patrol assisted with this incident. The individual was located and taken into custody safely.
- November 15, 2020, the Everest Metro Police Department, Marathon County Sheriff’s Department, and SAFER personnel responded to a one vehicle rollover crash in the Town of Weston. An occupant was pronounced dead on scene. Following an investigation, the driver was arrested for Homicide by Intoxicated Use of a Vehicle.

- December 10, 2020, officers responded to a disturbance involving a male and female in the Village of Weston. It was reported a female exited and ran from the vehicle, followed by a male from the vehicle. Additional information received included the male assaulted the female, and she may have been forced back into the vehicle, against her will. This case was investigated and an arrest was made for 2nd Degree Recklessly Endangering Safety, False Imprisonment, and Disorderly Conduct.
- December 17, 2020, Everest Metropolitan Police Department was notified of an armed robbery and kidnapping in Wausau. During the course of the incident, the armed suspect forced the victim to a bank in the Village of Weston. This was investigated by EMPD and Wausau Police Department. The suspect was arrested on multiple felony charges.
- The drug task force was very active throughout 2020. Our member of the task force has been working multiple cases and the task force has made multiple arrests. Many of the cases are ongoing. The work completed by the task force has been successful in interdicting illicit drugs entering the communities we serve.

Respectfully,

Shane Heilmann
Operations Captain

Field Training Program

The Field Training Officer (FTO) program continued to undergo changes and updates from 2019. The FTO manual was revised with Sergeant Rusinek and our Field Training Officers. Officer Meier began the process of converting our DOR (daily observation report) system to our current Superion software system. This conversion should be completed and implemented fully by early 2021. Due to staffing changes, the department added three new field training officers, Officer Randy Dunkel, Officer Alexis Meier, and Officer Tanner Uhlig.

Grants

Everest Metro Police Department is very appreciative to Wisconsin Public Service (WPS), for awarding us a \$2,000 WPS Rewarding Responders Grant. The funds used from this grant were used to purchase two new current X26P ECDs (Electronic Control Devices). The department is updating our inventory of ECDs from outdated X26 models to current X26P models. ECDs are great tools that can save lives. They have been used in the past to stop combative individuals, stop an in progress assault, and stop individuals from serious self-harm.

We are also very appreciative to have been awarded the Vested Interest in K9s grant. This grant provided a ballistic vest for our K9, Aron. These vests can cost between \$1,744 - \$2,283. This body armor is custom fitted, and can be lifesaving for a K9.

Several Wisconsin Department of Transportation grants were continued, including "Click it or Ticket" and "Driver Sober" campaigns. Due to our participation, EMPD was awarded another \$4000 equipment grant. We also received funds from a \$4000 equipment grant that started in 2019, with funds awarded/distributed in 2020. Awarded funds are to be used for equipment that would aid in traffic safety and enforcement. We purchased nine FST PBT (preliminary breath test) units, so every squad would have a current PBT. We also purchased an Arbitrator 360HD Recording system, to replace an outdated Arbitrator recording unit.

The Marathon County Traffic Task Force grant continued. The Marathon County Sheriff's department receives and shares the funds from this grant with all participating agencies. This grant will continue through fall of 2021. The goal of this grant is to promote safety. This is done by shifts of traffic enforcement that focus on seatbelt violations, distracted driving, and removing intoxicated drivers from the roadways of our communities, thereby promoting safety. The grant was suspended temporarily due to COVID concerns, but the suspension was temporary and the grant shifts have continued.

EMPD continued participation in several federal grants. These include the Bullet Proof Vest Partnership (BVP), Methamphetamine, and Heroin grants. The BVP grant provides reimbursement for a portion of bullet proof vest purchases by the department. Both Methamphetamine and Heroin grants provide reimbursement for overtime wage expenses accrued during methamphetamine or heroin specific investigations.

We also applied for overtime reimbursement through the FBI and Alicia's Law. The FBI provides reimbursement for overtime accrued by our Drug Task Force member. Alicia's Law provides funding for overtime costs incurred related to qualifying ICAC (Internet Crimes Against Children) cases.

Technology

Superior's Mobile Field Reporting (MFR) digital reporting system was implemented at EMPD June 2020. This system has been used throughout Marathon County by other law Enforcement Agencies. Officers were trained in the use of MFR, and the reporting system went live following the training the week of June 22. This system has created some challenges, but overall has streamlined and digitized our reporting system, including how records are stored/accessed.

Nuance DRAGON LE dictation software was implemented at EMPD in November 2020. Officers attended an in-house training the week of November 9th, and began use of the system following that training. As predicted by Nuance staff, there was an increase in time needed to complete reports. We believe this will improve, and some officers are excelling at use of this program already.

Due to the implementation of MFR and Dragon LE Dictation Software, our report system has been streamlined. This has alleviated delays caused by draft reports and the interim when clerical staff had to transcribe dictated reports. Officers now complete their report digitally, and can submit a complete, final report to their supervisor the same shift.

Respectfully,

Nick Aldrich
Administrative Captain

Staff Announcements

Welcome to EMPD

Administrative Assistant Becca Szews - January 2020

Patrol Officer Gunnar Schultz - January 2020

Clerical Assistant Ashley Marschall - April 2020

Patrol Officer Ethan Burmeister – June 2020

Promotions / Assignments

Sergeant Luke Misslin - Patrol Sergeant

Probationary Period Completion

Patrol Officer Chris Walter - February 2020

Patrol Officer Alex Thompson – March 2020

Patrol Officer Joshua Kriegel – December 2020

Mobile Field Force Team

The Everest Metropolitan Police Department was invited to join the Marathon County Mobile Field Force Team in 2018. Since that time and the team's inception, EMPD has had two officers who are members of the team, Officers Cody Swearingen and Francis Wierzbowski. Wierzbowski is one of three team leaders, responsible for directing a group of officers on that team.

The team initially consisted of 22 members, including sworn personnel from Everest Metro Police Department, Wausau Police Department, and Marathon County Sheriff's Department. The team expanded to 26 members in 2020. The purpose of the MFF team is to keep the peace, protect life, and protect property in areas of civil unrest.

The MFF team was called out multiple times in 2020. They worked both non-violent events and violent events. These included smaller scale events, like political speeches in Marathon County and scheduled marches in Wausau and Stevens Point. On a larger scale, the team was called out to assist during several civil unrest/riots in the Kenosha and Madison areas. The team received great feedback and represented our departments and communities well.

Special Investigations Unit (SIU)

Special Investigations Unit/Central Wisconsin Narcotics Task Force

The Everest Metropolitan Police Department (EMPD) works routinely in collaboration with the Marathon County Sheriff's Office (MCSO), one way is through our participation in the multi-agency Special Investigations Unit (SIU). SIU is comprised of a team of investigators of the MCSO, Wausau PD and the EMPD. The unit is primarily tasked with the investigation of local controlled substance trafficking and crimes occurring within the county, but also assist neighboring counties, state and federal agencies. They

additionally provide community-based training, and work as the lead on the multi-jurisdictional Methamphetamine regional task force and the Central Area Drug

Enforcement Group (CEADEG) which is a narcotics task force inclusive of all police agencies within the county.

Marathon County Drug Enforcement 2020 Seizure Totals

Arrests – 548 (Felony - 331, Misdemeanor - 217)

Search Warrants - 15

Firearms Seized - 16

Monies Seized – \$48,916.62

Drugs Seized:

Alprazolam (Xanax) - 97 dosage units

Amphetamine - 12 dosage units

Clonazepam – 58.5 dosage units

Cocaine, Base – 1.73 gm

Cocaine, Powder - .03 dosage units

Cocaine, Powder – 149.54 gm

Codeine – 163 ml

Counterfeit – 99.58 gm

Fentanyl – 80.83 gm

Fentanyl – 112 ml

Hashish - .30 gm

Hashish Oil – 7 dosage units

Hashish Oil – 121.72 gm

Heroin – 82.40 gm

Heroin – 7 dosage unit

Heroin – 27 ml

Hydrocodone - 12 dosage units

Ketamine - 1 dosage unit

Lorazepam – 41.50 dosage units

Lorazepam – 121.50 gm

LSD - 13 dosage units

LSD – 7.21 gm

Marijuana - 18 dosage units

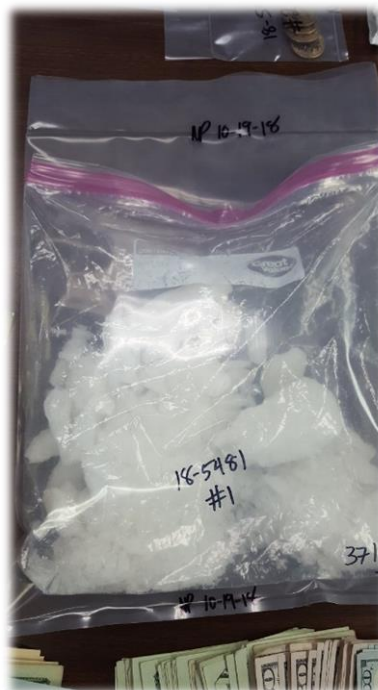

Marijuana - 4,766.76 gm

Marijuana – 18 plnt

Marijuana Wax - 1 dosage unit

Marijuana Wax – 30.40 gm

MDMA – 41 dosage unit

MDMA – 130.66 gm
Methadone – 80 ml
Methamphetamine – 2,444.33 gm
Methamphetamine - 250 ml
Morphine – 4 dosage units
Other - 217 dosage units
Other Depressants – 74.50 dosage units
Other Narcotics – 413.50 dosage units
Other Stimulants – 3 dosage units
Oxycodone - 10 dosage units
Psilocybin or Psilocyn (mushrooms) – 19.72 gm
Suboxone - 13 dosage units
Synthetic – 7.56 gm
THC Vape Cartridge – 15 dosage units
Unknown Prescription Drug - 2 dosage units
Valium (Diazepam) – 3 dosage units

The MCSO is also home to the Central Wisconsin Narcotics Task Force (CWNTF) formed in the fall of 2018 after being approached by the federal government about the assignment of a special agent to SIU. CWNTF is led by MCSO and includes both state and federal agencies: the WI Department of Justice/Division of Criminal Investigation, the Federal Bureau of Investigation; investigators from the MCSO, Wausau PD and EMPD; an intelligence analyst assigned by the National Guard; and the Lincoln County Sheriff's Department. The task force was founded to focus on identifying leaders in criminal drug trafficking organizations and ultimately to make a more significant impact in dismantling and disrupting organizations. The CWNTF is funded primarily by MCSO, with some federal funding and is a culmination of investigators assigned to SIU working together as one unit.

EMPD assigns a patrol officer to the SIU for a limited period of approximately 2-4 years. The officer has an office based out of the MCSO and works their shift out of the MCSO. The officer brings with them the resources of the multi-agency team as well as much specialized training and equipment to aid in current and future investigations. The most

recent drug investigator, Officer Cody Swearingen, was assigned from his duties at SIU as a School Resource Officer at D.C. Everest Middle School in the beginning of the 2019-20 school year, after the school district and communities served by EMPD approved a 3rd school resource officer position. EMPD's most recent drug investigator was assigned from the ranks of the patrol division and will begin his assignment in April of 2020.

Trainings

All Officers were recertified as they met or exceeded Training and Standard's requirements for the 2019-2020 training year (July 1, 2019-June 30, 2020). The trainings officers attended in 2020 included required trainings, recertification (firearms, instructor, etc), specialized trainings, and career development courses.

2020 provided challenges, as a majority of planned or scheduled trainings were canceled due to COVID-19 restrictions. The department adapted to these changes, utilizing our own supervisors, instructors, and online trainings to supplement outside trainings and ensure our department is adequately trained.

Officers in specialized positions attended routine trainings:

- Canine Handler
- Drug recognition Expert (DRE)
- Instructor Recertification
- Mobile Field Force (MFF)
- SWAT

Various Command Staff Personnel received specialized trainings:

- Brady-Giglio Training
- Marsy's Law and Body Cameras
- Open Records Law
- Trauma Informed Care
- Various COVID-19, Expanded Leave, and FMLA Trainings
- WPLA Winter Conference

Officers attended a variety of specialized trainings:

- ARIDE (Advanced Roadside Impairment Detection and Evaluation)
- Archway Defense Rifle Course
- Breach Point Consulting
- Child Interviews
- Dragon Law Enforcement Training
- Field Training Officer
- Homicide by Fire and Arson
- Room Clearing Tactics
- LAP – Lethality Assessment Program
- Marsy's Law
- MFR (Mobile Field Reporting)
- NASRO Basic School Resource Officer
- Operation RUSH
- Safe at Home
- Taser Instructor
- Various Case Law Reviews

Our School Resource Officers, Community Service Officer, and our Detectives attended focused/job specific trainings such as:

- Background Investigations in Law Enforcement
- DCI Officer Involved Death Investigations
- DCI: Video Examination/Digital Evidence Review
- Death Investigations
- Digital Threat Assessment Training
- Forensic Genealogy to ID Unknown Subjects of Violent Crimes
- L.A.P. (Lethality Assessment Program) Train-the-Trainer
- SECURUS Audio/Video Recording
- Speak Up Speak Out

AWARDS

Shane Heilmann is the Operations Captain at the Everest Metro Police Department. The position includes both Patrol and Investigations Departments.

In addition to his regular duties, Captain Heilmann co-developed, volunteered and participated in the 10K with a Cop Central Wisconsin, is an EMPD Blue Hearts founding board member, and participated in Run to Remember-Los Angeles Uniformed Challenge Half Marathon, Police Unity Tour and Wisconsin Riders honoring fallen officers.

Shane has also spent countless hours in support of the Weiland Family. His good friend and Detective partner, Jason T. Weiland, was killed in the line of duty on March 22, 2017.

Due to all of his hard work, perseverance and determination, he was awarded Patriot of the Year: 2020 Emergency Service Servant of the Year Award by the American Legion.

The Everest Area Optimist Club presented Officer Dunkel (left) with 2019 Officer of the Year Award. Officer Meier (right), was presented with 2020 Officer of the Year Award. Both have been doing a great job and are an asset to our department and the communities we serve.

COMMUNITY APPRECIATION

In 2020, Incredible Bank gave a generous donation to Everest Metro Police Department officers during the Holidays.

An anonymous party dropped off some Holiday gifts for our K9, Aron! The kind act was very much appreciated by Aron the Everest Metro Police Department.

Shop with a Cop was still a success in 2020! Fortunately, Officers from Everest Metro Police Department were able to still participate with Officers and Deputies from surrounding Law Enforcement Agencies. Thanks to all who supported this cause, as well as all the Officers and Deputies involved!
