

2021 Annual Report

Everest Metro Police Department

Honest, Fair & Dignified Service

INTEGRITY

|

FAIRNESS

|

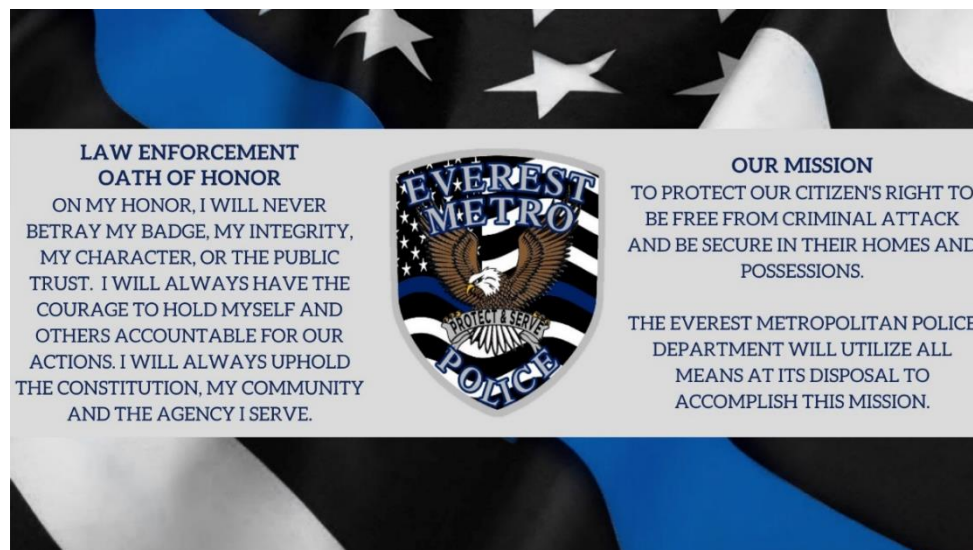

RESPECT

Mission

Our mission is to protect our citizens' right to be free from criminal attack and be secure in their homes and possessions. The Everest Metropolitan Police Department will utilize all means at its disposal to accomplish this mission.

Integrity

We adhere to the highest moral and ethical standards. We are honest and sincere in dealing with each other and the community. We have the courage to uphold these principles and are proud that they guide us in all we do.

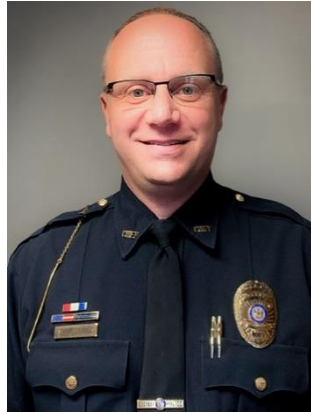

Fairness

Objective, impartial decisions and policies are the foundation of our interactions. We are consistent in our treatment of all persons. Our actions are tempered with reason and equity.

Respect

We recognize the value of our unique cultural diversity and treat all people with kindness, tolerance, and dignity. We cherish and protect the rights, liberties, and freedoms of all as granted by the constitutions and laws of the United States and the State of Wisconsin.

Community Service Officer

The Community Service Officer's duties were affected greatly by COVID-19. Almost every event that CSO Moua was involved in had been cancelled due to COVID-19 restrictions. CSO Moua and the CSO position adapted to this change; she assisted patrol and the detective bureau, assisted with sensitive crime investigations, provided interpretation for cases with language barriers, and trained/implemented our Lethality Assessment Program (LAP).

Even with the changes caused by COVID-19, CSO Moua continued to teach DARE (virtually), the Car Seat Installation Technician Specialist Program, fingerprinting services, and participation in the Shop with a Cop Program. CSO Moua also continued participation in numerous multi-disciplinary groups – DART/MCDAIT (Domestic Abuse Response Team/Marathon County Domestic Abuse Investigation Team), SART/MCSAIT (Sexual Assault Response Team/Marathon County Sexual Assault Investigation team), Child Advocacy Center (CAC) Multi-Disciplinary Team, and Safe Kids Coalition.

Organizational Chart

The patrol division worked short-staffed the entire year due to vacancies, injuries, and FMLA leave. This division was down five officers that were not in the patrol schedule. That is tough to manage when the entire patrol division is comprised of 18 officers including supervisors. Patrol is the backbone of this department, so temporary changes had to be made to support them. Our Community Service Officer (CSO) was pulled from her duties to fill in on the road. The patrol officer assigned to the Special Investigative Unit (SIU), who primarily conducts drug investigations, was pulled to work patrol. Overtime was used to back-fill and trainings had to be limited to avoid shorting patrol any further. Our proactive policing methods did suffer, especially traffic enforcement, as some days officers went call to call their entire shifts. But, we all made it through the busy summer months and welcomed the slow return of officers back to their schedules. They are an extremely resilient group of fine men and women that rose to the challenge. Their level of commitment and compassion is unparalleled. It is truly a pleasure working with them and the communities we serve are very fortunate.

The detective bureau, consisting of a detective and a detective sergeant, had challenges also. The detective position was vacant for a period of time due to a promotion to the rank of sergeant. The detective sergeant position was on temporary light duty for several weeks, which restricted activity outside the office.

A silver lining in all the personnel vacancies was the budget. EMPD came in under budget again in 2021, allowing funds to be transferred to the undesignated fund balance. Those monies are used for retirement payouts so operations does not suffer upon each retirement.

Even though challenges and changes are a constant, I believe that having the right people in the right places is paramount in moving an organization forward. At times 2021 felt like treading water; however, I see a progressive future ahead of us to keep us on a path of continuous improvement.

Respectfully,

Clayton Schulz
Chief

Major Case Investigations

The Department investigated several major cases in 2021. Some of the more involved investigations are mentioned here. Of these cases, some are still active and will continue into 2022, before possibly coming to a conclusion.

- March 27th, a domestic disturbance occurred in the 1400 block of Post Avenue in the Village of Weston. The offender was arrested for Domestic Abuse, Disorderly Conduct, Resisting Arrest, Obstructing an Officer and Possession of Firearm by Felon. Six counts of Felony Bail Jumping and four counts of Misdemeanor Bail Jumping have also been referred against the offender. 21-0801
- April 15th, a male party reported he had given a female party \$400 and did not receive the agreed upon services in the 4100 block of Barbican Avenue in the Village of Weston. The male party was issued a municipal citation for Solicitation of a Prostitute. 21-0966
- April 17th, it was reported that a vehicle was stolen from an address in the 200 block of Grand Avenue in the City of Schofield. The vehicle was located shortly after and was recovered after a short vehicle pursuit. As a result, one female was arrested. This case is cleared by arrest. 21-0998
- July 1st, a homicide was investigated by DCI. 21-1034
- May 2nd, a male subject was arrested for multiple offenses following an altercation on the 1800 block of Grand Avenue in the City of Schofield. This case is cleared by arrest. 21-1106
- August 15th, an investigation was conducted on the 9800 block of Siberian Drive in the Village of Weston regarding an injured juvenile. This case remains active. 21-2059
- August 21st, a man caused injuries to a cat which resulted in disfigurement and ultimately the cat to be euthanized while in the 200 block of Robb Street located in the City of Schofield. The case is considered cleared by arrest. 21-2155
- September 1st, it was reported a structure fire occurred on the 1500 block of Metro Drive in the City of Schofield. This case is inactive. 21-2272
- September 12th, an investigation was conducted on the 5700 block of Rogan Lane in the Village of Weston regarding criminal damage to property. This case is active. 21-2429, 2461, 2469, 2467, 2473
- October 27th, a fatal vehicle-versus-pedestrian crash occurred on the 900 block of Grand Avenue in the City of Schofield. This case is active. 21-2941

- The drug task force was very active throughout 2021. Our member of the task force has been working multiple cases and the task force has made multiple arrests. Many of the cases are ongoing. The work completed by the task force has been successful in interdicting illicit drugs entering the communities we serve.

Respectfully,

John Rusinek
Operations Captain

Field Training Program

The Field Training Officer (FTO) program continued to undergo changes and updates from 2019. The FTO manual was revised with Sergeant Rusinek and our Field Training Officers. Officer Meier completed the process of converting our DOR (daily observation report) system to our current Superion software system. This conversion was completed and implemented in early 2021.

Grants

Everest Metro Police Department is very appreciative to Wisconsin Public Service (WPS), for awarding us a \$2,000 WPS Rewarding Responders Grant. The funds used from this grant were used to purchase two new current X26P ECDs (Electronic Control Devices). The department is updating our inventory of ECDs from outdated X26 models to current X26P models. ECDs are great tools that can save lives. They have been used in the past to stop combative individuals, stop an in progress assault, and stop individuals from serious self-harm.

We are also very appreciative to have been awarded the Vested Interest in K9s grant. This grant provided a ballistic vest for our K9, Aron. These vests can cost between \$1,744 - \$2,283. This body armor is custom fitted, and can be lifesaving for a K9.

Several Wisconsin Department of Transportation grants were continued, including "Click it or Ticket" and "Driver Sober" campaigns. Due to our participation, EMPD was awarded another \$4000 equipment grant. We also received funds from a \$4000 equipment grant that started in 2019, with funds awarded/distributed in 2020. Awarded funds are to be used for equipment that would aid in traffic safety and enforcement. We purchased nine FST PBT (preliminary breath test) units, so every squad would have a current PBT. We also purchased an Arbitrator 360HD Recording system, to replace an outdated Arbitrator recording unit.

The Marathon County Traffic Task Force grant continued. The Marathon County Sheriff's department receives and shares the funds from this grant with all participating agencies. This grant will continue through fall of 2021. The goal of this grant is to promote safety. This is done by shifts of traffic enforcement that focus on seatbelt violations, distracted driving, and removing intoxicated drivers from the roadways of our communities, thereby

promoting safety. The grant was suspended temporarily due to COVID concerns, but the suspension was temporary and the grant shifts have continued.

EMPD continued participation in several federal grants. These include the Bullet Proof Vest Partnership (BVP), Methamphetamine, and Heroin grants. The BVP grant provides reimbursement for a portion of bullet proof vest purchases by the department. Both Methamphetamine and Heroin grants provide reimbursement for overtime wage expenses accrued during methamphetamine or heroin specific investigations.

We also applied for overtime reimbursement through the FBI and Alicia's Law. The FBI provides reimbursement for overtime accrued by our Drug Task Force member. Alicia's Law provides funding for overtime costs incurred related to qualifying ICAC (Internet Crimes Against Children) cases.

Technology

Superior's Mobile Field Reporting (MFR) digital reporting system was implemented at EMPD June 2020. This system has been used throughout Marathon County by other law Enforcement Agencies. Officers were trained in the use of MFR, and the reporting system went live following the training the week of June 22. This system has created some challenges, but overall has streamlined and digitized our reporting system, including how records are stored/accessed.

Nuance DRAGON LE dictation software was implemented at EMPD in November 2020. Officers attended an in-house training the week of November 9th, and began use of the system following that training. As predicted by Nuance staff, there was an increase in time needed to complete reports. We believe this will improve, and some officers are excelling at use of this program already.

Due to the implementation of MFR and Dragon LE Dictation Software, our report system has been streamlined. This has alleviated delays caused by draft reports and the interim when clerical staff had to transcribe dictated reports. Officers now complete their report digitally, and can submit a complete, final report to their supervisor the same shift.

Respectfully,

Nick Aldrich
Administrative Captain

Special Investigations Unit (SIU)

Special Investigations Unit/Central Wisconsin Narcotics Task Force

The Everest Metropolitan Police Department (EMPD) works routinely in collaboration with the Marathon County Sheriff's Office (MCSO), one way is through our participation in the multi-agency Special Investigations Unit (SIU). SIU is comprised of a team of investigators of the MCSO, Wausau PD and the EMPD. The unit is primarily tasked with the investigation of local controlled substance trafficking and crimes occurring within the county, but also assist neighboring counties, state and federal agencies. They additionally provide community-based training, and work as the lead on the multi-jurisdictional Methamphetamine regional task force and the Central Area Drug Enforcement Group (CEADEG) which is a narcotics task force inclusive of all police agencies within the county.

Vicodin	unit	1.00		

The MCSO is also home to the Central Wisconsin Narcotics Task Force (CWNTF) formed in the fall of 2018 after being approached by the federal government about the assignment of a special agent to SIU. CWNTF is led by MCSO and includes both state and federal agencies: the WI Department of Justice/Division of Criminal Investigation, the Federal Bureau of Investigation; investigators from the MCSO, Wausau PD and EMPD; an intelligence analyst assigned by the National Guard; and the Lincoln County Sheriff's Department. The task force was founded to focus on identifying leaders in criminal drug trafficking organizations and ultimately to make a more significant impact in dismantling and disrupting organizations. The CWNTF is funded primarily by MCSO, with some federal funding and is a culmination of investigators assigned to SIU working together as one unit.

EMPD assigns a patrol officer to the SIU for a limited period of approximately 2-4 years. The officer has an office based out of the MCSO and works their shift out of the MCSO.

The officer brings with them the resources of the mutli-agency team as well as much specialized training and equipment to aid in current and future investigations. The most recent drug investigator, Officer Cody Swearingen, was assigned from his duties at SIU as a School Resource Officer at D.C. Everest Middle School in the beginning of the 2019-20 school year, after the school district and communities served by EMPD approved a 3rd school resource officer position. EMPD's most recent drug investigator was assigned from the ranks of the patrol division and began his assignment in April of 2020.

Trainings

All Officers were recertified as they met or exceeded Training and Standard's requirements for the 2020-2021 training year (July 1, 2020-June 30, 2021). The trainings officers attended in 2021 included required trainings, recertification (firearms, instructor, etc), specialized trainings, and career development courses.

2021 provided challenges, as a majority of planned or scheduled trainings were canceled due to COVID-19 restrictions. The department adapted to these changes, utilizing our own supervisors, instructors, and online trainings to supplement outside trainings and ensure our department is adequately trained.

Officers in specialized positions attended routine trainings:

- Canine Handler
- Drug recognition Expert (DRE)
- Instructor Recertification
- Mobile Field Force (MFF)
- SWAT

Various Command Staff Personnel received specialized trainings:

- Brady-Giglio Training
- Marsy's Law and Body Cameras
- Open Records Law
- Trauma Informed Care
- Various COVID-19, Expanded Leave, and FMLA Trainings
- WPLA Winter Conference

Officers attended a variety of specialized trainings:

- ARIDE (Advanced Roadside Impairment Detection and Evaluation)
- Archway Defense Rifle Course
- Breach Point Consulting
- Child Interviews
- Dragon Law Enforcement Training
- Field Training Officer
- Homicide by Fire and Arson
- Room Clearing Tactics
- LAP – Lethality Assessment Program
- Marsy's Law
- MFR (Mobile Field Reporting)
- NASRO Basic School Resource Officer
- Operation RUSH
- Safe at Home
- Taser Instructor
- Various Case Law Reviews

Our School Resource Officers, Community Service Officer, and our Detectives attended focused/job specific trainings such as:

- Background Investigations in Law Enforcement
- DCI Officer Involved Death Investigations
- DCI: Video Examination/Digital Evidence Review
- Death Investigations
- Digital Threat Assessment Training
- Forensic Genealogy to ID Unknown Subjects of Violent Crimes
- L.A.P. (Lethality Assessment Program) Train-the-Trainer
- SECURUS Audio/Video Recording
- Speak Up Speak Out

COMMUNITY APPRECIATION

In 2021, Big Red with Y106.5 donated pizza for Everest Metro Police Department.

Each year, DCE Middle School graciously donates delicious pumpkin pies during the Thanksgiving Holidays.

The department also received many, many other food donations and we are grateful for each and every one of you.

Sully (Sullivan) was introduced to our EMPD family as our Therapy Dog. He has been such a great addition to our schools and Officer Behnke has done a phenomenal job training our new family member. Thank you to Central WI K9 and Corey and Sara Koppa for their donations!
